YOUR HOME, YOUR LIFE

Una combinazione di foglie  
che lasciano spazio  
al piacere di due dei cinque sensi...

La loro base è omogenea,  
i colori, le linee, l'aspetto vellutato, vetrato  
sono l'essenza di un presente conveniente  
ed in stile

*A combination of leaves  
arouses pleasure  
through two of the five senses...*

*Their base is homogeneous and  
the colours, lines and matte  
or glazed appearance  
are the essence of a convenient  
and stylish present*

Esposizione agli agenti atmosferici  
Exposure to weather conditions:

**ESPOSIZIONE COMPLETA / FULL EXPOSURE**  
Questi pannelli possono essere installati in luoghi sottoposti all'intensa azione di sole, salinità, pioggia e gelo.  
*These panels can be installed in areas that are exposed to intense sunlight, salinity, rain and frost.*

**ESPOSIZIONE COMPLETA CON MANUTENZIONE ANNUALE / FULL EXPOSURE WITH YEARLY MAINTENANCE**  
Questi pannelli possono essere installati in luoghi sottoposti alla moderata azione di sole, salinità, pioggia e gelo: è necessaria una manutenzione annuale.  
*These panels can be installed in areas that are exposed to moderate sunlight, salinity, rain and frost: annual maintenance is required.*

**ESPOSIZIONE LIMITATA / LIMITED EXPOSURE**  
È consigliata l'installazione solo se in posizione riparata da sole e pioggia diretti (porticati, tettoie e coperture profonde almeno un metro).  
*Only recommended when away from direct sunlight and rain (under porches, covered structures or covers that are at least one meter deep)*

**ESPOSIZIONE SCONSIGLIATA / NO EXPOSURE**  
È sconsigliata l'esposizione a qualsiasi agente atmosferico: l'applicazione ideale è in atrii e pianerottoli di condomini.  
*Exposure to any atmospheric agent is not recommended: ideal for condominium lobbies and landings.*

**Pannelli nobilitati da 7 mm**  
*Laminated veneered 7-mm panels*

# PANNELLI NOBILITATI LAMINATI DA 7 MM

*LAMINATED VENEERED 7-MM PANELS*

Pannelli in MDF rivestiti con carte decorative opportunamente trattate e supportate da diversi strati di pergamene vegetali, carte decorative impregnate con resine base acqua e/o film plastici a seconda delle necessità che garantiscono particolare durata e resistenza. Una soluzione tecnica e conveniente, disponibile in più colori e venature che riproducono le essenze del legno, ed in soluzioni di finiture super matt, o superfici scrivibili.

## **CARATTERISTICHE STRUTTURALI**

### **STRUTTURA**

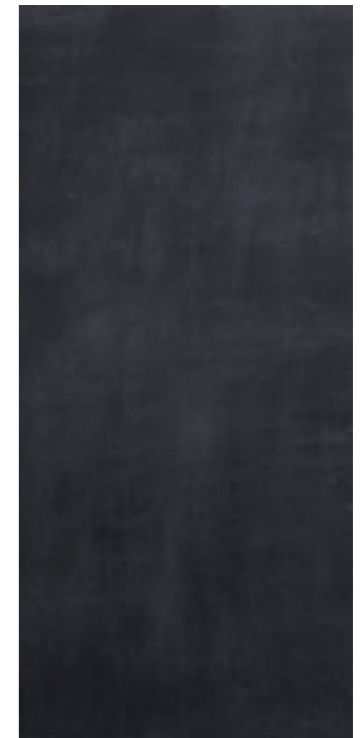

Pannello in mdf controbilanciato.

*MDF panels coated with decorative and properly treated papers and supported by several layers of vegetable parchments, decorative papers impregnated with water-based resins and/or plastic films, depending on needs, ensuring special durability and strength. This technical and low-cost solution is available in several colours and with different veins, to reproduce the wood essences, with super-matt finish solutions or write-on surfaces.*

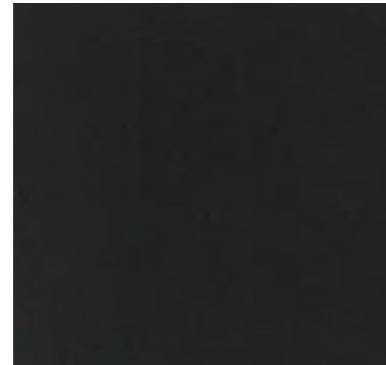

## **STRUCTURAL FEATURES**

### **STRUCTURE**

*Counterbalanced MDF-based panel*
